

Make some playdough for your kiddos or have them help you and make an activity of it!

Ingredients:

1 cup flour

$\frac{1}{4}$ cup salt

2 teaspoons of Cream of Tartar

1 cup of water

1 Tablespoon oil

Food coloring...any color...do a little mixing to create colors too!

Directions:

Add dry ingredients together in a pot.. Stir ingredients well. Add food coloring to water, mix, then add oil, stir and add to the mixture. Mix well. Turn on heat (medium) and watch carefully while stirring. As soon as mixture forms a ball, turn off heat. Knead well....and enjoy!

It's best if you let the kids play with it first before putting it away. Lots of condensation forms if you put it in an airtight container when warm.
